MEMORANDUM FOR: All School and Staff Chiefs

SUBJECT : OTR Emergency, Contingency,  
and War Plan

1. The following is the GLO/PPC Staff comment on Preliminary Draft A of the OTR Emergency, Contingency, and War Plan:

"A review of this plan in relation to the CIA Global War Plan and Annexes thereto indicates that all important areas are covered. In its present state, of course, the plan needs physical reorganization. At present there are no annexes, though the wording of the plan indicates that it will have annexes when finalized. As a minimum it is recommended that annexes for personnel, communications, logistics, and administration be prepared as well as the annexes containing the tasks for each OTR component. When the plan is rewritten, it is recommended that annexes be as precise as possible."

2. Please call PPS and let me know when you estimate your plan will be completed. I have reorganized Preliminary Draft A and Draft B is now available within PPS for anyone wishing to review it. I will send you copies shortly.
